CRIMINAL CONVICTION DISCLOSURE

A background investigation may be conducted by Canyon County when reviewing applicants for law enforcement positions, positions in departments or offices that provide support to law enforcement or other positions where a criminal conviction may be relevant to the work. Criminal convictions will not be reviewed in the initial evaluations of applicants except where a conviction would disqualify an applicant from employment by law. The implications of a conviction may be assessed for a particular hiring decision including, but not limited to, the nature of a criminal conviction, its relationship to the job, and the amount of time that has passed since the crime was committed. A conviction does not necessarily preclude employment or disqualify an applicant from consideration; however, any misrepresentations, omissions, or falsifications will also be considered.
